Re: Interstate 675 and Wilmington Pike Interchange Improvements (PID 115160)
Public Information Meeting - Rescheduled

Dear Neighbor:

We are writing to advise you that the Ohio Department of Transportation (ODOT), the Montgomery County Transportation Improvement District (MCTID), Sugarcreek Township, the Greene County Engineer’s Office, and the City of Centerville are evaluating alternatives for improvements to the Interstate 675 and Wilmington Pike interchange. The project is necessary to address congestion and safety. **The public information meetings originally scheduled for June 6th and June 7th have been rescheduled for July 13th and July 18th.**

To ensure the proposed project is viable and successful, we are asking all those interested to attend and participate in the upcoming public meetings. We want your comments regarding the social, environmental, and economic impacts of this proposed project. Additionally, we would appreciate any information you may have on the existence of cultural resources (archaeological, historic, architectural), ecological resources (streams, wetlands, etc.), or hazardous materials (dump sites, underground and above ground storage tanks, etc.) within the project area. We welcome your questions and comments at the following upcoming public involvement meetings.

In Person Meeting

Thursday July 13, 2023, 5:00 to 7:00 pm

Location: Sinclair Centerville Campus at 5800 Clys Road, Centerville, Ohio 45459

Virtual Meeting

Tuesday July 18, 2023 at 12:00 pm

Hosted on project website: <https://mctid.org/i-675-wilmington-pike-interchange-project/>

All materials presented during the in-person meeting and the virtual public meeting will be the same. Materials will be available on the project website immediately following the virtual meeting.

Feedback from the community will assist the project team in decision making. We ask that the public provide comments by **August 18, 2023**. Comments can be provided during the public meetings, via the information below or on the project website: <https://mctid.org/i-675-wilmington-pike-interchange-project/>. All comments carry equal weight regardless of how they are submitted.
